**RESPONSE TO NOTIFICATION OF MISSING
REQUIREMENTS UNDER 35 U.S.C. 371**

Sir:

This is in response to the Notification of Defective Response under 35 U.S.C. 371 in the United States Designated/Elected Office (the "Notification") mailed on February 14, 2006. If this response is not timely filed then we petition for an extension for the time period to reply, and the Commissioner is authorized to charge to the account listed below any fees required to secure such an extension.

Enclosed please find the following items:

- (1) Paper copy containing the sequence listing in connection with the above-referenced application,
- (2) Computer-readable diskette containing the sequence listing in connection with the above-referenced application,
- (3) Fee transmittal form.

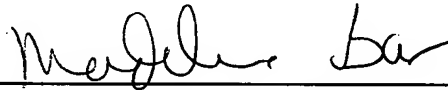

The undersigned hereby states that, in accordance with 37 C.F.R. §1.821(f), that the sequence information submitted in computer-readable form is identical to the written sequence listing submitted on paper. The undersigned further states that the submission herein,

filed in accordance with 37 C.F.R. §1.821(g), does not include new matter. Accordingly, entry of this submission into the application is respectfully requested.

The undersigned hereby states that, pursuant to 37 C.F.R. §1.27, that the applicant is a small entity and that the appropriate fees are those for a small entity. As a small entity no further claim fees should be required, and \$350 are due in connection with this application for the application search fee and application examination fee for a small entity.

Applicants request that any questions concerning this matter be directed to the undersigned at (212) 895-2000. The Commissioner is hereby authorized to charge any additional fees, which may be required or credit any overpayment to the undersigned attorney's Deposit Account No. 02-4270.

Respectfully submitted,

Madeline Baer, Reg. No. 36,437

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
